This shows that Xavier was a diligent and consistent worker keen on self-improvement.

Xavier is cheerful and friendly. He is always willing to lend a helping hand to those around him. Given his well-mannered disposition, he is well liked by his peers and teachers.

Xavier was a member of the Media Resource and IT Club from 2017 to 2020. He represented the school in the "Our School Our Stories" photo contest in both 2018 and 2019. Apart from his Co-Curricular Activity, Xavier also took part in some school activities. For instance, from 2017 to 2019, Xavier and his classmates participated in the annual inter-class games, namely basketball, floorball, football and netball. He demonstrated the ability to establish good teamwork and took the initiative to motivate his team to put in their best effort in the matches. He also represented his class to take part in the annual Cross Country in 2017.

He also completed his VIA project work on Conservation in 2018. In 2019, he did his class VIA during the level camp where he visited the Bishan Home for the Intellectually Disabled to engage and interact with the residents. Despite the communication difficulties, he actively engaged the residents during the session by participating in the games with them and encouraged his classmates to do the same.
